40. INDEPENDENT CONTRACTOR

The Contractor is, for all purposes arising out of this contract, an independent Contractor and shall not be deemed an employee of the County. It is expressly understood and agreed that the Contractor shall in no event, as a result of this contract, be entitled to any benefits to which County employees are entitled, including but not limited to overtime, any retirement benefits, worker's compensation benefits, and injury leave or other leave benefits.

41. INTEREST OF CONTRACTOR

The Contractor covenants that it presently has no interest, including but not limited, to other projects or independent contracts, and shall not acquire any such interest, direct or indirect, which would conflict in any manner or degree with the performance of services required to be performed under this contract. The Contractor further covenants that in the performance of this contract, no person having any such interest shall be employed or retained by it under this contract.

42. CONTRACT EXTENSION OPTION

42.1. One to three months - end of contract period

The providing of goods and/or services described in Section A or B may be extended in one or more increments for a total of no less than one (1) nor more than three (3) calendar months at the discretion of the County Purchasing Director. Each extension shall be affected by written contract modification delivered to the Contractor no less than fifteen (15) calendar days prior to expiration of the contract. The rates set forth in the pricing section shall apply to any extension made pursuant to this option provision unless provision for appropriate price adjustment has been made elsewhere in this contract. All payments are subject to General Terms and Conditions, Clause titled "AVAILABILITY OF FUNDING".

43. RIGHT TO ACQUIRE EQUIPMENT AND SERVICES

Nothing in this agreement shall prohibit the County from acquiring the same type or equivalent equipment and/or service from other sources, when deemed by the County to be in its best interest.

44. SEVERABILITY

Should any part of this agreement be held to be invalid by a court of competent jurisdiction, the remainder of the agreement shall be considered as the whole agreement and be binding on the contracting parties.

REQUEST FOR BID 5552 FRESH PRODUCE AND PACKAGED PRODUCE

ADDENDUM No. 2

RFB 5552 CLOSE DATE IS 31-JUL-2012, 11AM.

This addendum 2 is submitted to answer questions received.

1. **QUESTION:** There are 2 items from LOT 1 that do not appear on the LA Market USDA reports as they are processed items. I believe they should be on PRICING SCHEDULE Lot 2 -- PRODUCE RFB 5552? These being "Broccoli Florettes 5 lbs and Carroteenies, 200-2oz bags".

ANSWER: These 2 items, Broccoli Florettes and Carroteenies have been placed in Lot 2.

2. **QUESTION:** There are a few items where on Product Description- Lot 1 do not exist on the USDA report per the unit requested but the math is simple such as "5-lbs of Jalapeño" and the smallest packing listed on the USDA report is 10-lbs so I just highlight 10lbs and then do the math noted in pencil to the right for the correct bid unit. Also for example "6 bunches" of green onions whereas I choose the unit on the USDA report for "Onions, Green 48s med" divide by 48 and multiple by 6

ANSWER: The exact description also shows the departments requested delivery size. The vendor is to make appropriate calculations at time of invoicing. An exact price for these items is not needed on the RFB submittal for Lot 1 items. The request was to highlight the item found on the Report and submit your bid as a percentage of the low side of this report. The request for a sample of how the items will be priced has been removed from the RFB. A copy of the LA wholesale report is still required to be sent with invoices.

3. **DELETE:** Page A-9, paragraph 3, A sample of how the items will be priced is required. A copy of the Los Angeles (LA) wholesale report dated 11-Jul-2012 must be returned with the bid. The low-side price used as the base for bid must be highlighted for quick identification. (See page A-10 of a list of items to highlight.)

REQUEST FOR BID 5552 FRESH PRODUCE AND PACKAGED PRODUCE

ADDENDUM No. 2

RFB 5552 CLOSE DATE IS 31-JUL-2012, 11AM.

This addendum 2 is submitted to answer questions received.

1. **QUESTION:** There are 2 items from LOT 1 that do not appear on the LA Market USDA reports as they are processed items. I believe they should be on PRICING SCHEDULE Lot 2 -- PRODUCE RFB 5552? These being "Broccoli Florettes 5 lbs and Carroteenies, 200-2oz bags".

ANSWER: These 2 items, Broccoli Florettes and Carroteenies have been placed in Lot 2.

2. **QUESTION:** There are a few items where on Product Description- Lot 1 do not exist on the USDA report per the unit requested but the math is simple such as "5-lbs of Jalapeño" and the smallest packing listed on the USDA report is 10-lbs so I just highlight 10lbs and then do the math noted in pencil to the right for the correct bid unit. Also for example "6 bunches" of green onions whereas I choose the unit on the USDA report for "Onions, Green 48s med" divide by 48 and multiple by 6

ANSWER: The exact description also shows the departments requested delivery size. The vendor is to make appropriate calculations at time of invoicing. An exact price for these items is not needed on the RFB submittal for Lot 1 items. The request was to highlight the item found on the Report and submit your bid as a percentage of the low side of this report. The request for a sample of how the items will be priced has been removed from the RFB. A copy of the LA wholesale report is still required to be sent with invoices.

3. **DELETE:** Page A-9, paragraph 3, A sample of how the items will be priced is required. A copy of the Los Angeles (LA) wholesale report dated 11-Jul-2012 must be returned with the bid. The low-side price used as the base for bid must be highlighted for quick identification. (See page A-10 of a list of items to highlight.)

Post Office Boxes do not qualify as verifiable local business addresses. If a tie bid occurs between a local business and a non-local business, award shall be made to the local business.

If the lowest responsive, responsive bid is submitted by a non-local business, one percent (1%) shall be subtracted from the lowest responsive, responsible bid submitted by a local business in evaluating the bids for award. If application of the one percent (1%) factor results in the local business bid being equal to or lower than the non-local business bid, contract award will be made to the local business at the local business bid price, except for public works and construction bids, or if prohibited by State or Federal law.

The County's obligation for payment of any contract beyond the current fiscal year end is contingent upon the availability of funding from which payment can be made. No legal liability on the part of the County shall arise for payment beyond June 30 of the calendar year unless funds are made available for such performance.

16. **INSPECTION OF SERVICE/MATERIALS/SUPPLIES**

- 16.1. All performance (which includes services, materials, supplies and equipment furnished or utilized in the performance of this contract, and workmanship in the performance of services) shall be subject to inspection and test by the County at all times during the term of the contract. The Contractor shall provide adequate cooperation to any inspector assigned by the County to permit the inspector to determine the Contractor's conformity with these specifications and the adequacy of the services being contractually provided. All inspection by the County shall be made in such a manner as not to unduly interfere with Contractor performance.
- 16.2. If any services performed hereunder are not in conformity with the specifications and requirements of this contract, the County shall have the right to require the Contractor to perform the services in conformity with said specifications and requirements at no additional increase in total contract amount. When the services to be performed are of such nature that the difference cannot be corrected, the County shall have the right to (1) require the Contractor immediately to take all necessary steps to ensure future performance of the services in conformity with requirements of the contract, and (2) reduce the contract price to reflect the reduced value of the services performed. In the event the Contractor fails to perform the services promptly or to take necessary steps to ensure future performance of the service in conformity with the specifications and requirements of the contract, the County shall have the right to either (1) by contract or to otherwise have the services performed in conformity with the contract specifications and charge to the Contractor any cost occasioned to the County that is directly related to the performance of such services, or (2) terminate this contract for default as provided in the Termination clause.

17. **DUTY TO INQUIRE**

Should an Offeror find discrepancies in or omissions from the solicitation, plans, specifications or other documents, or should the Offeror be in doubt as to their meaning, the Offeror shall at once notify the Contracting Officer/Procurement Specialist in writing. If the point in question is not clearly and fully set forth, a written addendum will be issued and posted on the County's web site "BUYNET." It is the Offerors responsibility to periodically check the Web site for such addenda. The County will not be responsible for any oral instructions nor for any written materials provided by any County personnel that are not also posted on the BuyNet web site.

18. DISPUTES

- 18.1. Except as otherwise provided in this contract, any dispute concerning a question of fact arising under this contract which is not disposed of by agreement shall be decided by the Contracting Officer who shall furnish the decision to the Contractor in writing. The decision of the Contracting Officer shall be final and conclusive unless determined by the court of competent jurisdiction to have been fraudulent or capricious, or arbitrary, or so grossly erroneous as necessarily to imply bad faith. The Contractor shall proceed diligently with the performance of the contract pending the Contracting Officer's decision.
- 18.2. The "Disputes" clause does not preclude consideration of legal questions in connection with decisions provided for in paragraph (A) above. Nothing in this contract shall be construed as making final the decision of any administrative official, representative, or board on a question of law.

19. CHANGES

The Contracting Officer may at any time, by written order, make changes within the general scope of this contract, in the definition of services to be performed, and the time (i.e., hours of the day, days of the week, etc.) and place of performance thereof. If any such change causes an increase or decrease in the cost of, or the time required for the performance of any part of the work under this contract, whether changed or not changed by any such order, an equitable adjustment shall be made in the contract price or delivery schedule, or both, and the contract shall be modified in writing accordingly. Any claim by the Contractor for adjustment under this clause must be asserted within 30 days from the date of receipt by the Contractor of the notification of change; provided however, that the Contracting Officer, if he decides that the facts justify such action, may receive and act upon any such claim asserted at any time prior to final payment under this contract. Where the cost of property made obsolete or excess as a result of a change is included in the Contractor's claim for adjustment, the Contracting Officer shall have the right to prescribe the manner of disposition of such property. Failure to agree to any adjustment shall be a dispute concerning a question of fact within the meaning of the clause of this contract entitled "Disputes". However, nothing in this clause shall excuse the Contractor from proceeding with the contract as changed.

20. ASSIGNABILITY

The Contractor shall not assign any interest in this contract, and shall not transfer any interest in the same (whether by assignment or novation), without the prior written consent of the County thereto; provided however, that claims for money due or to become due to the Contractor from the County under this contract may be assigned without such approval. Notice of any such assignment or transfer shall be furnished promptly to the County.

21. INDEMNITY

County shall not be liable for, and Vendor shall defend and indemnify County and the employees and agents of County collectively, "County Parties") against any and all claims, demands, liability, judgments, awards, fines, mechanics' liens or other liens, labor disputes, losses, damages, expenses, changes or costs of any kind or character, including attorneys' fees and court costs (hereinafter collectively referred to as "Claims"), related to or arising out of this purchase order, and arising either directly or indirectly from any act, error, omission or negligence of Vendor or its contractors, licensees, agents, servants or employees, including Claims caused by the concurrent negligent act, error or omission of County Parties. However, Vendor shall have no obligation to defend or indemnify County Parties against Claims (i) to the extent they arise from the active concurrent negligence of County Parties, or (ii) caused by the sole negligence or willful misconduct of County Parties.

22. CONDUCT OF CONTRACTOR

- 22.1. The Contractor agrees to inform the County of all the Contractor's interests, if any, which are or which the Contractor believes to be incompatible with any interests of the County.
- 22.2. The Contractor shall not, under circumstances which might reasonably be interpreted as an attempt to influence the recipient in the conduct of his duties, accept any gratuity or special favor from individuals or organizations with whom the Contractor is doing business or proposing to do business, in accomplishing the work under the contract.
- 22.3. The Contractor shall not use for personal gain or make other improper use of privileged information which is acquired in connection with his employment. In this connection, the term "privileged information" includes, but is not limited to, unpublished information relating to technological and scientific development; medical, personnel, or security records of the individuals; anticipated materials requirements or pricing actions; and knowledge of selections of contractors or subcontractors in advance of official announcement.

- 22.4. The Contractor or employees thereof shall not offer gifts, gratuity, favors, entertainment directly or indirectly to County employees.

23. DISALLOWANCE

In the event the Contractor receives payment for services under this contract which is later disallowed by the County, the Contractor shall promptly refund the disallowed amount to the County on request, or at its option, the County may offset the amount disallowed from any payment due to the Contractor under any contract with the County.

24. GOVERNING LAW

This contract shall be construed and interpreted according to the laws of the State of California.

25. AUDIT AND INSPECTION OF RECORDS

- 25.1. General. The County shall have the audit and inspection rights described in this section.
- 25.2. Cost or pricing data. If the Contractor submitted cost or pricing data in connection with the pricing of this contract or any change or modification thereto, unless such pricing was based on adequate price competition, established catalog or market prices of commercial items sold in substantial quantities of the general public, or prices set by law or regulation, the Contracting Officer or his representatives who are employees of the County or its agent shall have the right to examine all books, records, documents and other data of the Contractor related to the negotiation pricing or performance of such contract, change or modification, for the purpose of evaluating the accuracy, completeness and currency of the cost or pricing data submitted.
- 25.3. Availability. The materials described above shall be made available at the office of the Contractor, at all reasonable times, for inspection, audit or reproduction, until the expiration of 3 years from the date of final payment under this contract, or by (1) and (2) below:
- 25.3.1. If this contract is completely or partially terminated, the records relating to the work terminated shall be made available for a period of three years from the date of any resulting final settlement.
- 25.3.2. Records which relate to appeals under the "Disputes" clause of this contract, or litigation or the settlement of claims arising out of the performance of this contract, shall be made available until such appeals, litigation, or claims have been disposed of, or three years after contract completion, whichever is longer.
- 25.4. The Contractor shall insert a clause containing all the provisions of this entire clause in all subcontracts hereunder except altered as necessary for proper identification of the contracting parties and the contracting officer under the County's prime contract.

26. PATENT AND COPYRIGHT INFRINGEMENT

The contractor shall report to the contracting officer, promptly and in reasonable written detail, each notice or claim of patent or copyright infringement based on the performance of this contract of which the contractor has knowledge.

27. CONTRACTOR REPRESENTATION

Unless the contractor expressly states otherwise in his proposal, where functional requirements are expressly stated as part of the requirements of this solicitation, the contractor, by responding, represents that in its opinion the system proposed is capable of meeting those requirements. In the event of any inconsistency between the functional specifications and the detailed specifications contained in the solicitation, the former will control.

28. WARRANTY

Contractor agrees that the equipment, supplies or services to be furnished shall be covered by the most favorable commercial warranties the contractor gives to any customer for the same or substantially similar equipment, supplies or services and that the rights and remedies so provided are in addition to and do not limit any rights afforded to County.

29. **INSURANCE**

Before commencement of the work, contractor shall submit Certificates of Insurance evidencing that contractor has obtained for the period of the contract, from generally recognized responsible insurer, insurance in the following forms of coverage and minimum amounts specified:

- 29.1. A policy of Worker's Compensation in statutory amounts.
- 29.2. Commercial General Liability insurance written on an "occurrence" basis and in an amount of not less than \$1,000,000 each occurrence.
- 29.3. Automobile Liability Insurance covering owned, non-owned and hired automobiles in an amount not less than \$1,000,000 combined single limit.
- 29.4. The policies (except for Workers' Compensation) shall name the County of San Diego as additional insured.
- 29.5. Each policy of insurance shall contain the following clause:

"It is agreed that these policies shall not be cancelled nor the coverage reduced until thirty (30) days after the COTR shall have received written notice of such cancellation or reduction. The notice shall be deemed effective the date delivered to said COTR, as evidenced by properly validated return receipt."
- 29.6. The County of San Diego shall retain the right at any time to review the coverage, form and amount of insurance required herein and may require contractor to obtain insurance sufficient in coverage, form and amount to provide adequate protection against the kind and extent of risk which exist at the time a change in insurance is required. County requirement shall be reasonable.

30. **PERMITS, NOTICES, FEES AND LAWS**

The contractor shall, at contractor's expense, obtain all necessary permits and licenses, give all necessary notices, pay all fees required by law, and comply with all laws, ordinances, rules and regulations relating to work and to the preservation of the public health and safety.

31. **AIR, WATER POLLUTION CONTROL, SAFETY AND HEALTH**

Contractor shall comply with all air pollution control, water pollution, Safety and Health Ordinances and statutes which apply to the work performed pursuant to this contract, including any requirements specified in state government codes.

32. **FINDINGS CONFIDENTIAL**

Any reports, information, data, etc., given to or prepared or assembled by the Contractor under this Agreement which the County requests to be kept as confidential shall not be made available to any individual or organization by the Contractor without the prior written approval of the County.

33. **PUBLICATION, REPRODUCTION AND USE OF MATERIAL**

No material produced, in whole or in part, under this Agreement shall be subject to copyright in the United States or in any other country. The County shall have unrestricted authority to publish, disclose, distribute and otherwise use, in whole or in part, any reports, data or other materials prepared under this Agreement. All reports, data and other materials prepared under this Agreement shall be the property of the County upon completion of this Agreement.

34. **NOTICE**

Any notice or notices required or permitted to be given pursuant to this Agreement may be personally served on the other party by the party giving such notice, or may be served by certified mail, return receipt requested, to the addresses set forth herein.

35. **PRODUCT IDENTIFICATION AND LABELING**

Each package shall be identified with manufacturer's label, which shall conform to the requirements of the Fair

Packaging and Labeling Act and Section 12604 of the California Business and Professions Code.

36. DRUG & ALCOHOL FREE WORKPLACE

The County of San Diego, in recognition of individual rights to work in a safe, healthful and productive work place, has adopted a requirement for a drug and alcohol free work place, County of San Diego Drug and Alcohol Use Policy C-25. This policy provides that all County employed Contractors and Contractor employees shall assist in meeting this requirement.

- 36.1. As a material condition of this agreement, the Contractor agrees that the Contractor and the Contractor employees, while performing service for the County, on County property, or while using County equipment:
 - 36.1.1. Shall not be in any way impaired because of being under the influence of alcohol or a drug.
- 36.2. Shall not possess an open container of alcohol or consume alcohol or possess or be under the influence of an illegal drug.
 - 36.2.1. Shall not sell, offer, or provide alcohol or a drug to another person.
 - 36.2.2. Shall not be applicable to a Contractor or Contractor employee who, as part of the performance of normal job duties and responsibilities prescribes or administers medically prescribed drugs.
- 36.3. The Contractor shall inform all employees that are performing service for the County on County property or using County equipment, of the County objective of a safe, healthful and productive work place and the prohibition of drug or alcohol use or impairment from same while performing such service for the County.
- 36.4. The County may Terminate for Default or Breach this Agreement and any other Agreement the Contractor has with the County, if the Contractor, or Contractor employees are determined by the Contracting Officer not to be in compliance with the above.

37. ORDERING WITH BLANKET PURCHASE AGREEMENT

A blanket purchase agreement for the estimated requirements will be sent to the successful bidder. This will authorize the acceptance of releases from designated County departments for their requirements. The vendor shall complete delivery of items ordered to destinations set forth in the release. Each release shipment shall be accompanied by a priced invoice itemizing all material. Partial shipments are not acceptable when ordered by release.

38. INVOICES

All deliveries must be accompanied by invoices or delivery tickets. A copy of each invoice or delivery ticket must be signed by the individual accepting delivery. Invoices shall include item, description, quantity, delivery point, price, terms, purchase order number, release number (if applicable to a blanket purchase agreement) and any data relative to the shipment. Original invoices shall be mailed to the County address as specified in the purchase order or blanket purchase agreement release. Discounts will be calculated from receipt of merchandise or invoice, whichever is later.

39. CONTRACT ADMINISTRATION

The Director of Purchasing and Contracting is the designated Contracting Officer and is the only County official authorized to make any changes to this agreement.

The County has designated the following individual as the Contracting Officer's Technical Representative (COTR):

Keith Spears, 858-974-2236

The COTR will chair contractor progress meetings and will coordinate the County's contract administrative functions. The COTR is designated to receive and approve Contractor invoices for payment, audit and inspect records, inspect Contractor Services, and provide other technical guidance as required. The COTR is not authorized to change any terms and conditions of the Contract. Changes to the scope of work will be made only by the Board of Supervisors and/or the Contracting Officer issuing a properly executed Change Order modification.

40. INDEPENDENT CONTRACTOR

The Contractor is, for all purposes arising out of this contract, an independent Contractor and shall not be deemed an employee of the County. It is expressly understood and agreed that the Contractor shall in no event, as a result of this contract, be entitled to any benefits to which County employees are entitled, including but not limited to overtime, any retirement benefits, worker's compensation benefits, and injury leave or other leave benefits.

41. INTEREST OF CONTRACTOR

The Contractor covenants that it presently has no interest, including but not limited, to other projects or independent contracts, and shall not acquire any such interest, direct or indirect, which would conflict in any manner or degree with the performance of services required to be performed under this contract. The Contractor further covenants that in the performance of this contract, no person having any such interest shall be employed or retained by it under this contract.

42. CONTRACT EXTENSION OPTION

42.1. One to three months - end of contract period

The providing of goods and/or services described in Section A or B may be extended in one or more increments for a total of no less than one (1) nor more than three (3) calendar months at the discretion of the County Purchasing Director. Each extension shall be affected by written contract modification delivered to the Contractor no less than fifteen (15) calendar days prior to expiration of the contract. The rates set forth in the pricing section shall apply to any extension made pursuant to this option provision unless provision for appropriate price adjustment has been made elsewhere in this contract. All payments are subject to General Terms and Conditions, Clause titled "AVAILABILITY OF FUNDING".

43. RIGHT TO ACQUIRE EQUIPMENT AND SERVICES

Nothing in this agreement shall prohibit the County from acquiring the same type or equivalent equipment and/or service from other sources, when deemed by the County to be in its best interest.

44. SEVERABILITY

Should any part of this agreement be held to be invalid by a court of competent jurisdiction, the remainder of the agreement shall be considered as the whole agreement and be binding on the contracting parties.
